## LOURDES

Jacques-Louis David (August 30, 1748 - December 29, 1825) was a highly influential French painter in the Neoclassical style. In the 1780's his cerebral brand of history painting marked a change in taste away from Rococo frivolity towards a classical austerity and severity, chiming with the moral climate of the final years of the ancien régime.

# Overview

Lourdes is an informal script font drawn with quick, thick brush strokes. The script appears to be quickly dashed down, and the characters were carefully designed to create a subtle rhythm. The strokes are slightly muted to avoid an overly aggressive appearance. Lourdes has a wonderful active tempo that works well for headlines, logotypes and signage.
