JACQUES-LOUIS DAVID (August 30, 1748 – December 29, 1825) was a highly influential French painter in the Neoclassical style. In the 1780s his cerebral brand of history painting marked a change in taste away from Rococo frivolity towards a classical austerity and severity, chiming with the moral climate of the final years of the *ancien régime*.

# Overview

Terfens is a sans serif with inspiration from chancery scripts like Stefania. Subtly rounded and eschewing harsh technical lines, Terfens is a warm and inviting typeface. Its tall x-height gives it a friendly but not overly informal feel. Its readability and unique contemporary look makes it suitable for a wide range of design applications.
